2,499 Miles & $2,499,000 for Wishes, Awareness & Research
Cal’s Angels’ Mission

**Cal’s Angels** – a 501(c)(3) pediatric cancer foundation with a mission of granting **wishes**, raising **awareness** and funding **research** to help kids fighting cancer.

**In June of 2005**, our lives were changed forever when our oldest child, Cal Sutter, a 12-year old South Elgin Little League All-Star, was diagnosed with Acute Myelogenous Leukemia. The battle with pediatric cancer is a horrible nightmare no child or family should ever have to experience. Yet, like most children, Cal never gave up hope and through it all, he was always more concerned about the well-being of the other children fighting cancer than he was about himself. Even though Cal ultimately lost his battle with leukemia in August of 2006, the courage he displayed throughout his treatment inspired the start of the Cal’s Angels Foundation.
Hope Echoes Charities’ Mission

Hope Echoes Charities will raise funds, establish charitable partnerships and work with the community in support of efforts to prevent, treat and cure cancer and neurological diseases. In addition, we will work to improve education at all levels and help the families of our veterans, law enforcement and first responders. We ask that those helped will help others. That’s how “hope echoes.”

The W.A.R. On Wheels Mission

The cycling team, a group of experienced cyclists, motivated by the courage and perseverance of these brave kids and their families that fight pediatric cancer every-day, will bike 2,499-miles along historic US Route 66 to raise at least $2,499,000 ($1,000 per mile) to support Cal’s Angels’ mission to fund wishes, awareness, and research.

Ride Terms & Conditions

This is not a race! The only race we are interested in is the one against pediatric cancer! To ensure a safe and pleasant ride, all riders should have at least an intermediate level of road cycling experience, understand hand signals, have experience cooperating in groups and practice safe biking practices. Each rider must acknowledge that they have read and understand the terms and conditions of the ride during the registration process. Please print your registration receipt. Your receipt and a valid picture ID must be presented at the starting point of your ride.

For daily ride donors ($50, $100 or $250), bikes, associated parts, snacks, guidance technology and the proper riding equipment (helmets required), transportation to the starting point, from the end point and lodging (if required) is the responsibility of the rider. These riders will be given a WAR On Wheels t-shirt, water bottle and gold wrist band.

For statewide ride donors ($1,500) bikes, associated parts, guidance technology and the proper riding equipment (helmets required), transportation to the starting point, from the end point and lodging is the responsibility of the rider. These riders will be given a WAR On Wheels jersey, water bottle and black wrist band. Lunch for each of the legs will also be provided to statewide riders.

To support all rides there will be two WAR on Wheels support team “SAG wagons.” The SAG wagons will have additional snacks, water and sport drinks and parts. There will also be a bicycle technician available at all times during the ride. Garmin routes (GPX files) are available for each leg.

For more details, FAQ's, to download GPX routes and to review the rider’s waiver (term and conditions) visit: waronwheels.us/waiver or email us at ride2499@waronwheels.us.

Full Ride Sponsorship Benefits

Sponsorships

For full ride sponsorships, those ranging from $5,000 to $50,000 or more.

With your authorization, your personal message, family photo, company logo or foundation’s logo will be placed on the rider’s jerseys, the ride’s support vehicles and permanently displayed on our site www.waronwheels.us.

In addition, we will highlight your sponsorship in multiple social media posts using Twitter and Instagram.

Your message, photo or logo, will be displayed on the support vehicles in the following intervals over a thirty-six day period.

- Diamond Jersey ($50,000)  36 Days
- Emerald Jersey ($25,000)  30 Days
- Sapphire Jersey ($20,000)  24 Days
- Ruby Jersey ($15,000)     18 Days
- Pearl Jersey ($10,000)    12 Days
- Onyx Jersey ($5,000)      6 Days
Cal’s Angels is going to WAR against pediatric cancer. Our mission is granting wishes, raising awareness, and funding research to help kids fighting cancer.

Cal’s Angels is a 501(c)3 nonprofit organization was founded in 2007 after Cal Sutter lost his battle with Acute Myelogenous Leukemia, in August 2006, at the young age of 13.

WHAT WE DO:
Cal’s Angels offers many different programs to help hundreds of children each year.

WISHES:
We will grant a wish up to $1,000 to any child or family battling cancer and being treated.

AWARENESS:
We are determined to continue raising awareness for the gold ribbon, signifying pediatric cancer. We do this by helping schools, businesses, small groups, and/or organizations to go gold throughout the month of September, which is national pediatric cancer awareness month.

RESEARCH:
We have committed $525,000 to a clinical research trial at Lurie Children’s Hospital to help identify breakthrough treatments that are individualized and less toxic to children.

WHAT MAKES CAL’S DIFFERENT:
The personal connection developed with patients is what inspires us to continue doing what we do. Cal’s walks alongside the patient from the moment we meet them and beyond the end of treatment. In 2017 we committed to funding and advance drug discovery programs as quickly as possible to help save more children’s lives.
A Personal Note From Stacey

I would like to thank you in advance for your commitment to our War on Wheels (Wow) initiative. It is our ultimate goal to end pediatric cancer, and with your generous support, we are one step closer.

This amazing group of cyclists has stepped up to charge the world of pediatric cancer, one mile at a time. Not only are they committed to Cal’s Angels and the families we assist, their motivation is inspiring to everyone they encounter. There are several ways to become involved in this 1,499 mile ride: cycling, donating, sponsoring or volunteering. Your support is greatly appreciated and together we can finish the War against pediatric cancer.
